TechNiche Battery Powered Heating GLOVES

Powered by IonGear™

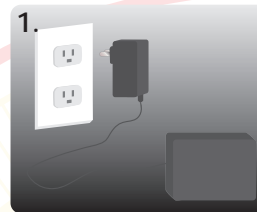

- Heating elements built into gloves and woven through fabric so you cannot feel any wiring
- Elements extend along entire finger and back of hand for full hand coverage
- One battery per glove; each battery has multi-level temperature controller
- Includes: Sport Gloves (pair), Batteries (pair), charger, and carrying/storage bag
- Sizes: S/M, L/XL
- Color: Black with silver retro-reflective piping

POWERED BY

IONGEAR™

Combat the cold with our battery-powered heating system, IonGear™, which uses some of the most advanced heating element and battery technology available on the market.

1. Plug in IonGear™ Batteries to charge
2. When done charging, insert batteries into glove pockets
3. Use temperature controller to set desired temperature
4. Gloves are ready to wear
